

The Arizona Department of Health Services (ADHS) Children and Youth with Special Health Care Needs (CYSHCN) Program works to improve the health and well-being of children and youth with special health care needs and their families in Arizona.

ADHS CYSHCN and community partners hosted focus groups with families of across the state in Fall 2024.

JOIN US FOR A VIRTUAL TOWN HALL

to learn more about what we heard from families who participated in the focus groups, and action items we've identified from that feedback.

Pre-register to participate

Select the day that works best for you, and register for that Town Hall using the link or QR code.

Wednesday, April 9, 5:00-6:30pm:
